DO HEREBY RESOLVE:  
DECIDE: PAR LES PRESENTES:

**Whereas**

Asubpeeschoseewagong Netum Anishinabek (ANA) entered into a Process Agreement in August 2008 with Her Majesty the Queen in Right of Ontario, as represented by the Ministry of Natural Resources (MNR), to work together in a government-to-government relationship towards a Substantive Agreement for the protection, management and use of the Whiskey Jack forest and other areas as the parties may agree;

**And Whereas**

the parties agreed, in the Memorandum of Understanding signed in April 2011, that MNR would provide assurance to ANA as to how it would ensure harmony between the Process and its other forest management planning, in keeping with the principles of the Process Agreement;

**And Whereas**

MNR has failed to provide such assurance to ANA;

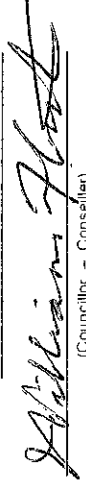

**And Whereas**

MNR is nevertheless proceeding with forest management planning for the Whiskey Jack Forest, outside of the Process Agreement and without ANA's participation or mutual consent, and has released a Long Term Management Direction setting the stage for clearcutting throughout ANA's traditional lands;

**Therefore Be It Resolved That:**

1. ANA re-affirms its inherent rights to give its free, prior and informed consent prior to development taking place on its traditional lands.
2. ANA re-affirms its Treaty rights to maintain its way of life upon its traditional lands without significant interference from forestry or otherwise.
3. ANA rejects the Long Term Management Direction for the Whiskey Jack Forest and any application of that document to ANA's traditional lands.
