**On September 27th, 2023 at 12pm, five First Nations from Northern Ontario will come to Toronto to lead a march calling on Premier Ford to end unwanted mining activity on their Territories.**

**These five strong First Nations have formed a historic alliance to protect their lands and waters in the face of mounting concerns about encroachment on their territories by mining exploration companies who have been enabled by the Ford Government. Join the Land Defence Alliance to demand respect for Indigenous rights and protect the sources of life on their Territories in the face of mining incursions.**
